*Over 2,300 CDL jobs open in
Washington State annually*

ARE YOU CONSIDERING TRUCK DRIVING AS A CAREER AFTER SERVICE?

*Enroll in this 8-week, tuition free program to bridge the gap between
your military driving experience and CDL Class A license.*

ABOUT THE TRAINING PROGRAM:

The Grays Harbor College Commercial Truck Driving Program has been operating since 2007 and has maintained a 100% pass rate on the Washington State CDL Class A Practical examination of their students. Through a grant from the Department of Transportation, qualified veterans with documented military driving experience are able to enroll in a 8-week, zero tuition, Fast Track CDL program. The program closes the skills gap between what military drivers can do and what they need to be able to pass the CDL Skills Test for their Class A License. Training is held at the Regional Education and Training Center (RETC), 100 Technology Way, Elma, WA. Participants are responsible for covering all assessment tests and supplies (approximately \$250).
