Dot Medical Certificate (card) is required for each transaction for a commercial driver's license. (valid for not less than 30 days)

DOT Medical Examination Report (long form physical) is required for all new applicants of a commercial driver's license (CDL) and applicants transferring a CDL from another state or jurisdiction in addition to the DOT Medical Certificate (card). (valid for not less than 30 days)

To apply for a CDL test card, the required fees must be mailed to the address above with this application. Please complete both sides of this application in full. To calculate the fees, take the total dollar amount of test(s) requested plus an additional \$5.00 for the instruction permit.

Your skills test must be conducted in the type of vehicle you expect to operate or the license cannot be issued. Applicants must supply the vehicle for the skills test. Additionally you must have a valid CDL permit issued a minimum of 14 days prior in order to be eligible to take the CDL skills test.

All Class A, B, and C licenses are issued by the date of birth. The fee can range between \$26.25 and \$61.25, depending on the number of years it will be issued for.

Class D license fees are also issued by the date of birth. The fee can range between \$19.25 and \$44.25, depending on the number of years it will be issued for.
