WisDOT4/2014

3rd Party Testing - The following testing companies may be contacted regarding CDL Skills Tests

The maximum fee that a Third Party Tester may charge for a CDL Skills Test has been raised to accommodate the new requirements resulting from Wisconsin's implementation of the federal revisions to the Commercial Motor Vehicle Safety Act of 1986. The new fee structure is:

- Full Skills Test (Vehicle Inspection, Basic Control Skills and Road Test) when successfully completed at one time = \$150.00
- Vehicle Inspection only = \$50.00
- Basic Control Skills only = \$50.00
- Road Test only = \$50.00
- Abbreviated School Bus Skills Test = \$50.00
- Lift Airbrake restriction (Vehicle Inspection required) = \$50.00
- Lift Manual Transmission restriction (Road Test required) = \$50.00
- Lift Tractor Trailer restriction (Vehicle Inspection, Basic Control Skills and Road Test required) = \$150.00
- Federal IRS mileage (2013: 56.5 cents/mile) for miles traveled to and from the test routes that exceed a 25 mile radius from the Tester's Headquarters.

A Third Party Tester may choose to charge less than these fees.

Note: An additional fee may be charged if the third party tester provides the use of a vehicle. Contact the specific tester for details.

NOTE: Licensed Commercial Drivers are subject to retesting by Wisconsin DMV and Federal Motor Carrier Safety Administration CDL Examiners
