*** Vehicles garaged in localities participating in DMV's Local Vehicle Registration Program may also be charged applicable local registration fees.

Payment Information

You may pay your fees with cash, check, electronic check (e-check), money order, check card or credit card. DMV accepts Discover, MasterCard, Visa and American Express. E-check allows you to authorize DMV to electronically withdraw funds from your checking account.

Make checks payable to Virginia Department of Motor Vehicles and mail payment to:

Virginia Department of Motor Vehicles
P.O. Box 27412
Richmond, VA 23269

Important Note: If you are paying by electronic check from a commercial account with controlled disbursement, debit block, and or account reconciliation, your bank will not accept the payment. If this happens, in accordance with the Code of Virginia, a fee will be administered to any payments that are returned to the Department of Motor Vehicles. The fee is \$85 if the check is \$350 or less or \$50 plus 10% of the check amount if check is greater than \$350. If your bank accounts are of the type noted above, a better alternative is to use an Automated Clearing House (ACH) payment method.

Many transactions can be conducted online including registration and driver's license renewals, address changes, license plate purchases and much more. For a list of DMV transactions that can be conducted online, visit www.dmvNOW.com.
